Re CTS

Dear Sirs,

I confirm that we have been appointed by CTS to drive the development of an Integrated Management System (IMS) for the business; this will result in successful UKAS Accredited Certification to:

- ISO 9001 (Quality Management)
- ISO 14001 (Environmental Management)
- ISO 45001 (Health & Safety Management)

This process is progressing rapidly and full Certification is planned for Spring 2022.

I would be delighted to respond to any queries in relation to this matter.

Yours faithfully,

ANDREW FOY
